

QUALITY POLICY STATEMENT

F&W Forestry UK Limited's main business activities are in forestry and land management, consultancy and contracting, landscaping and arboriculture.

Quality is important to our business because we value our clients and customers. We strive to provide them with services which meet and even exceed their expectations.

We are committed to continuous improvement and have established a Quality Management System which provides a framework for measuring and improving our performance.

We have the following systems and procedures in place to support us in our aim of total customer satisfaction and continuous improvement throughout our business:

- regular gathering and monitoring of customer feedback
- a customer complaints procedure
- selection and performance monitoring of suppliers against set criteria
- training and development for our employees
- regular audit of our internal processes
- measurable quality objectives which reflect our business aims
- management reviews of audit results, customer feedback and complaints
- Our internal procedures are reviewed regularly and are held in a Quality Manual which is made available to all employees.

Though the Managing Director has ultimate responsibility for Quality all employees have a responsibility within their own areas of work so helping to ensure that Quality is embedded within the whole of the company.
