

Barracks Access Map

Access Conditions:

All vehicular access is by permission only, users must assess roads prior to taking access and no responsibility is taken for any defects resulting in damage or injury from using road infrastructure.

Damage to the road infrastructure by improper use may be chargeable.

Upgraded full forest roads are suitable for most vehicles, including timber lorries, but may have steep sections, loose stones and potholing.

Forest roads with no cap may show seasonal frost lift/softness.

Wagon and drag roads may have steep snaps and tight corners.

4WD only access is unbound and may have seasonal variation in quality.

Defibrillator available at Community Hall
